[REDACTED] was advised he was being interviewed relative to a Federal Fugitive Investigation, the type of which, should he furnish false information, would involve him in a possible harboring violation. [REDACTED] stated as he is currently still on parole from Angola, Louisiana State Penitentiary, he would not do anything which would possibly violate this parole. At that time, [REDACTED] was furnished twenty photographs of white males and asked to go through them, pointing out anyone who he is acquainted with. [REDACTED] chose the photograph of FRANK LEE MORRIS, IO number 3584, stating while in Angola, he felt around the early 1950's, he knew the individual whose picture he had chosen as FRANK LYONS. He said he has not seen this individual since MORRIS' transfer from Angola to a prison, possibly in Mississippi. He said the last time he heard anything about MORRIS was in 1954, or 1955, when he [REDACTED]

[REDACTED] advised the subject of this particular program was the life of the individual he knew as FRANKIE LYONS. [REDACTED]

[REDACTED] emphatically stated he has not seen, nor has he heard, from MORRIS since his transfer from Angola.

b7C, b7D

[REDACTED] was asked if he was acquainted with a fellow named [REDACTED] or one named [REDACTED] and he said he served time in Angola with both of these individuals. He said he does see [REDACTED] periodically in the New Orleans area, but he has not seen [REDACTED] for a number of years. [REDACTED]

[REDACTED] He said he has no idea how you could go about getting in touch with [REDACTED] but suggested inquiries could possibly be made in the [REDACTED]

b7C, b7D

[REDACTED] was asked if he could recall any conversations he might have had in July of 1966, concerning FRANK LEE MORRIS, and he advised he could not. He said his wife [REDACTED] is aware of him having once been acquainted with MORRIS and it is even possible, some time in years past, he talked to her about MORRIS. He added, however, he is positive he did not, at any time, tell his wife he had seen FRANK LEE MORRIS in New Orleans. [REDACTED] reiterated he had not seen MORRIS since their confinement days. He was, at this point, again strongly told of the Harboring Statute, and advised he would not attempt to shield MORRIS or hide any information he might have about him.

The indices of the San Francisco Office of the Federal Bureau of Investigation as checked on July 12, 1967, failed to reflect any information as to a program "This is Your Life" which might have concerned FRANK LEE MORRIS, also known as FRANKIE LYONS.

[REDACTED] advised that his department had no record for
a FRANK LEE MORRIS or [REDACTED] either by name
check or fingerprint classification.

A similar check for CLARENCE ANGLIN, IO #3582, and
JOHN WILLIAM ANGLIN, IO#3583, brothers who escaped with
Subject, was negative.

[REDACTED]
[REDACTED]
[REDACTED] advised that he was the individual stopped by Patrolmen in
Tennessee while driving a 1966 Ford, Michigan license [REDACTED]
He had returned his father to Mt. Pleasant, Tennessee, and
was returning to Detroit, Michigan, and was accompanied at the
time by [REDACTED]

The following description of [REDACTED] was obtained
from observation and interview:

Name
Address
Marital status
Race
Sex
Height
Weight
Hair
Eyes
Born

Employment

Scars

Tattoo

[REDACTED] b7C
[REDACTED] right ring finger contained a "loop" whereas Subject's ring finger right hand contains a "whorl". [REDACTED] was eliminated as Subject based on interview, physical description, lack of identifying tattoos and fingerprint classification.

A communication received from Miami on August 2, 1967, reflected the following information:

Attempts were made to contact and reinterview [REDACTED] b7C with negative results on July 10 and 28, 1967, with negative results. It was ascertained that [REDACTED] still resides at [REDACTED]

The landlady at the above address was contacted on both occasions under a pretext and she advised that [REDACTED] b7C had either been on vacation or working unusual hours but that definitely he is still a resident of the above address.

[REDACTED] b7C, b7D
A communication received from the Detroit Office on August 30, 1967, reflected the following information:

[REDACTED] b7C b7D He stated his mailing address is [REDACTED] but he would not furnish his street address or phone number because he did not want to be contacted on this matter and did not want anyone to know he had been in contact with the FBI. He stated he is employed at [REDACTED]

[REDACTED] and that [REDACTED] at the same plant, looks like CLARENCE ANGLIN. He says [REDACTED] has same tattoos as ANGLIN. He said [REDACTED] has name "ZONA" on his upper left arm and name "NITA" on right arm; [REDACTED] also has "y" shaped scar, size of quarter, over upper lip and drives an old Oldsmobile. [REDACTED]

[REDACTED] sounded as if he may be emotionally unstable. He went into great detail explaining how FBI should attempt to apprehend [REDACTED] if he is actually ANGLIN.

67C
SF 76-2887
[REDACTED]

[REDACTED] was located by SAs [REDACTED] b7C b7D
and [REDACTED] at [REDACTED]
on August 8, 1967, and from a comparison of
fingerprints, it is definite he is not CLARENCE ANGLIN.
[REDACTED]

As indication of the unreliability and instability b7C
of [REDACTED] also known as [REDACTED] it should be
noted [REDACTED] does not have the names "ZONA" and "NITA"
tattooed on his arms as he claimed.

A communication received from the Miami Office
on September 5, 1967, reflected the following information:

On August 15 and 29, 1967, [REDACTED] b7C
was recontacted at his residence, [REDACTED]
[REDACTED]

He again advised that sometime in June or possibly b7C b7D
July, 1966, while he, [REDACTED] was in New Orleans he
accidentally bumped into [REDACTED] was driving a
panel truck with his name on the side. According the
[REDACTED] had told him the information concerning
FRANK MORRIS who had escaped from Alcatraz and was possibly
in New Orleans. It was [REDACTED] opinion that this
information came to [REDACTED] from [REDACTED] or [REDACTED]
[REDACTED] said [REDACTED] had turned real grey in the color of
his hair and very little black could be seen.

[REDACTED] went on to say that he knew [REDACTED] b7C b7D
[REDACTED] and Subject FRANK MORRIS from
the Angolia Prison in Louisiana.
[REDACTED]

[REDACTED] added that while FRANK MORRIS was in
the Atlanta Prison, he had studied Spanish, and thought
possibly FRANK MORRIS may be in Mexico.

[REDACTED] redalled that [REDACTED] had said something
to the effect that [REDACTED] and [REDACTED] were probably
living on Burgundy Street in New Orleans.

due to the results of information received from other offices. However, a portion of these results were previously reported in paraphrase form since the results of the investigation were furnished to the San Francisco Office by expedite communications in summary form.

A communication of the El Paso Office received at San Francisco on November 27, 1967, reflected that on November 21, 1967, [REDACTED] (Protect Identity), [REDACTED] advised that the bar where [REDACTED] could be located on Decatur Street, New Orleans.

This bar is located in the same two block area as the French Market Bar, Decatur Street Bar, and Bracattos Bar. [REDACTED] is possibly hanging out at any one of these bars.

New Orleans communication received at San Francisco on November 27, 1967, pointed out that information furnished by the El Paso and Phoenix Offices as emanating from [REDACTED] was the grounds for extensive investigation conducted in New Orleans. Information was furnished the Phoenix Office by [REDACTED] and then similar information was furnished the El Paso Office with the names of the alleged prostitute associate of FRANKIE LEE MORRIS being the only change. It was believed that this was an effort on the part of [REDACTED] to experience monetary gain. None of the information furnished by [REDACTED] was verified or refuted. As [REDACTED] was a previous prison inmate of MORRIS, it would seem possible he would attempt to use his knowledge of MORRIS to furnish information which would appear to be authentic.

Information furnished the Miami Division previously by [REDACTED] apparently has a ring of the same nature as that being furnished El Paso and Phoenix; however, investigation is still pending New Orleans to interview other persons who were cellmates and inmates of MORRIS in Angola in the early 1950's. Contact has been maintained with [REDACTED] and information he has furnished seems to be accurate. [REDACTED] has been transferred to the Parish Prison, New Orleans, Louisiana, and will be interviewed concerning information he might have concerning any activities of FRANKIE LEE MORRIS since his leaving Angola in the early 1950's.

[REDACTED] viewed photographs of [REDACTED] and FRANKIE LEE MORRIS and each stated they were unfamiliar with the pictured subjects.

LEADSNEW ORLEANS

(2) Will endeavor to expedite this investigation and other outstanding investigation at New Orleans so that this facet of inquiry re the alleged rumors of MORRIS being seen in New Orleans can be resolved.

Subject FRANKIE LEE MORRIS and [redacted] together in 1967. On March 19, 1968, [redacted] positively identified photo of [redacted] as being the same person he saw with Subject. (This information contained in San Francisco report of SA [redacted] dated 6/17/68.) Obviously, this information furnished by [redacted] was completely in error since [redacted] has been confined to a Louisiana prison for nearly three years, and is still there. It should be observed that prior to [redacted] recent location in a Louisiana prison, numerous inquiries had been made regarding her location in the New Orleans area based upon information furnished by [redacted] that he had seen her with Subject within the past year.

b7C b7D

It is further noted that [redacted] on another occasion furnished information regarding an [redacted] who was allegedly a girlfriend of Subject MORRIS and who supposedly was working as a barmaid in New Orleans and frequenting bars on Decatur Street. Again New Orleans conducted extensive investigation regarding such a person, including direct inquiry in the Decatur Street area and contact with both [redacted] but again with negative results regarding such a person.

Consequently, careful consideration should be accorded to any other information [redacted] may furnish in the future. It is noted that information furnished by this person regarding any New Orleans investigation has never been substantiated and, in fact, has been directly refuted regarding his allegedly observing [redacted] with Subject approximately a year ago.

This matter was reactivated from a pending inactive status in December, 1966, for the purpose of recontacting relatives, associates, and sources as to whether escapees were alive and as to their whereabouts. These inquiries have been completed and no information has been received that escapees are alive. This matter is being placed in a pending inactive status for one year.
